FOREWORD

As the Clipper Ship sails the Sea of Knowledge in search of the Isle of Know, many things befall the crew. To be a log in which to preserve your memories of the eventful voyage is the purpose of this

DEDICATION

Dedicated to those Sailors who crossed the bar.

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

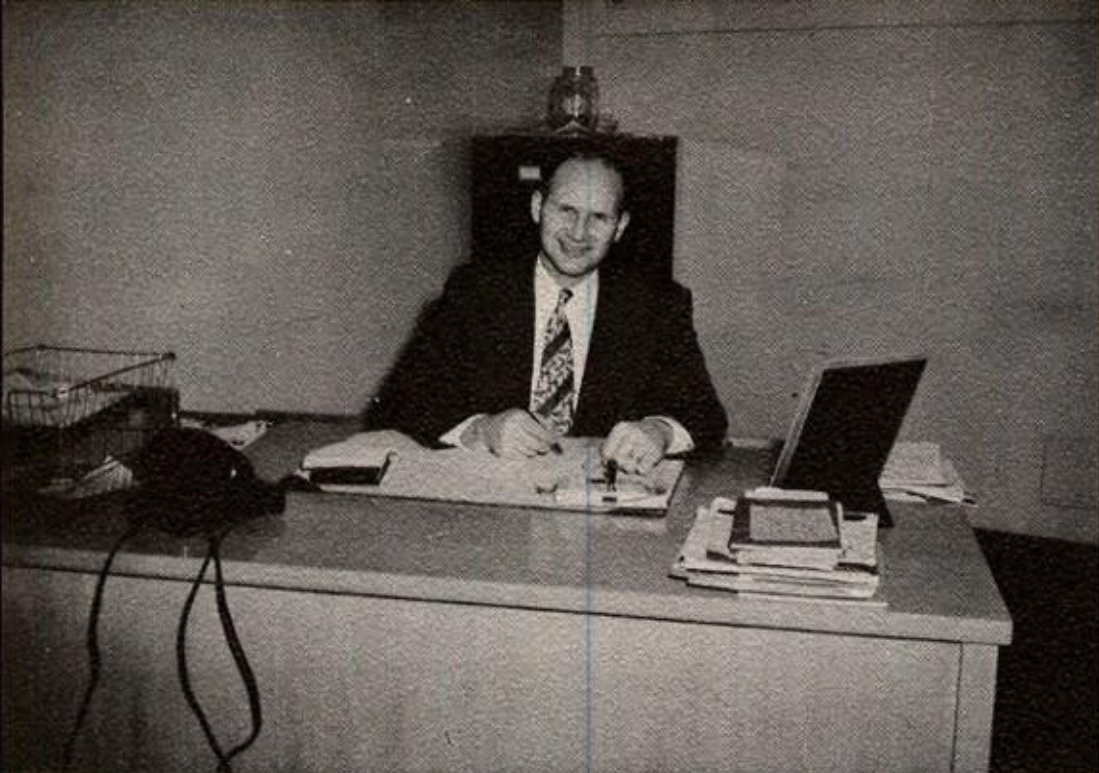

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

CLASS HISTORY

Dear M. H. S. Underclassmen,

Just a little note to tell you about our four years at M. H. S. It wasn't all play, but quite a bit of work.

"We started in high school just as green as you are, but look how we turned out!" You can do the same, too, if you'll follow along in our footsteps.

As we stepped onto the prison grounds, we were met by a large group of stern-faced upperclassmen, who told us if we kept out of trouble we would be O. K.

We didn't have many activities our first year in high school. Since we were only "green" freshmen it wasn't considered good etiquette to give very many parties. We gave one party, a barn dance. We served cookies and punch and every one had lots of fun dancing square dances while "Tiny" Gould called them.

We didn't do too many spectacular things our sophomore year. Around the middle of the year we had a skating party. Mr. Martin drove the bus for us and Mr. Williams went along as chaperone. There was quite a bit of excitement at the skating rink. Pat Workman fell down and hurt her back and had to be taken to the doctor at Newport. We didn't get home until late because we had to wait until they brought Pat back before we could leave.

We had lots of fun our junior year. We had parties and banquets and all sorts of things. Our first project for the year was a Black Friday Party given in November on Friday the 13th. I believe that this party was the biggest success of all the parties we have given, everyone had loads of fun.

Dale Brummett was our Master of Ceremonies. Gerri Lou tap danced for us. She was very good. Daryl Richardson tried to balance an egg on a stick; he tried three times, but each time they fell to the floor and broke. He got angry so he threw the rest of the eggs into the audience. Everyone ducked so the eggs wouldn't splatter on them, but they got fooled because the eggs were blown out ahead of time. Everyone joined in when it came time to play the games. Some of the games were played with grapefruit; in another game the kids sat on balloons. After everyone was acquainted and having a good time, there was dancing.

Our next project for the year was the annual Junior-Senior Banquet. Everyone worked and slaved so it would be a success--and it was. The home economic girls slaved over hot stoves for days preparing the food that was to be eaten by the seniors and other guests. The rest worked decorating and doing other odd jobs.

Mr. Peckham and Mrs. Martin played a piano duet while everyone was finding his seat. Speeches were given by the class presidents and representatives from the faculty. After we had eaten, we saw the movie "Lullaby of Broadway" starring Doris Day.

We Seniors agree that this was the best Junior-Senior Banquet ever given.

Our last year in school is going to be a busy one with the Christmas Ball, the Junior-Senior Play, the Talent Show, Graduation, the Senior Skip, and many other things to look forward to.

Our first social event this year is to be the Christmas Ball. Medford Fuller is going to provide the music. We're all sure that it will be a big success.

We hope all of you who are under us have as wonderful a four years in high school as we have had.

CLASS OF '55

I, Joe Robinson, have just arrived in my little flying saucer to attend the Class Reunion of my graduation year, 1955. The year is 1970. The place is the Math Room in Mapleton High School, in the great metropolis of Mapleton, population now one million not counting the students, and the time is 11:40 P. M.

I guess I am here early; that is something new; I was always late to the Senior Class Meetings back in 1955. Well, if I wait around a while, I suppose the others will come.

What's this I hear? Somebody's raising a ruckus out in the hall. Is that Mr. Martin I hear calling him down? No, this is all too natural. I must be dreaming. I thought I heard Mr. Martin say, "Gary Hotz, if you don't be quiet, I won't let you come back next year and finish your education." Good ol' Gary, he's still in there trying. He would like to have graduated with us but Mr. Williams just couldn't bear to part with him.

The class has started to gather now so I will interview them and you can see how the class of '55 has done.

There's Mike Cline. He's the president of the NRBABBC (National Red Blooded American Boys' Bachelor Club) of which I am a member. We plan on having a meeting next week if our wives will let us out of the house.

Here come Jerry Snelgrove and LeRoy Beattie. They haven't done badly. Jerry is a member of our club and also a member in good standing of the National Hobos Convention. LeRoy is now the President of the United States. He always was the political type.

As I turn around, I stand face to face with a tall, shapely blonde. Her name is Gretchen Davidson, better known now as Chris Lee. She is the famous singer of Nick Nostrile's Band. His band, The Nine Nasty Nose Pickers, has made history with their latest hit, I'll Get You Yet, You Dirty Burger.

Nick's real name is Steve Farrell; and, I am sure, you would recognize a few of the members of his band such as Albert Bear, Dale Brummett, and Glenn Pruett.

Sally Poole has married a hat designer, Gary Holman. He is a member of the class of '54, but I guess that is okay.

Well wha' da' ya' know--there is Daryl Richardson. He used to keep the class laughing with his jokes--now he keeps the nation laughing. He is a comedian over station D-O-G. I always figured he'd make good.

Alvin Dean is a six star general in Uncle Sam's Army. "Good going, Alvin, you're the first six star general in the history of the United States."

Leo Moyer is a hot rod racer, and because of his outstanding courage hasn't lost a race yet.

Darrel Rayl is a space explorer, and he was the first man ever to set foot on the moon. "How was the weather up there, Darrel?"

Jean Deitz is a big game hunter in Africa. She is one of the most successful big game hunters America has ever turned out. She is forever telling us about the "wolves" in Africa.

Wanda Holman is a lady wrestler; and from what I hear, she's nothing short of spectacular. If she is unable to lick her opponent, her manager, Virginia McCoy, leaps into the ring and lends her a hand.

There is one in our midst who has lived up to what we expected of him. John Hallberg is his name. He is one of the most popular movie actors of our time. In his most recent picture he is co-starred with Gerri-lou Henderson in a stirring film, "The Price of a Lollipop". I am sure you will all want to see this movie. It won a Harvey, you know.

Another member of the class who was quite successful is Darlene Netz. She is a tight rope walker for the Pharnam Phaley Circus.

Perhaps the most successful one from our class is Gary Noble. He and his wife, the former Rochelle Bennett, are the proprietors of a flea circus. This little circus is one of the biggest in the world and also one of the most valuable, employing nearly a dozen dogs.

Carl Chastain is head brush salesman for the Campbell Brush Company, owned by Lois Campbell.

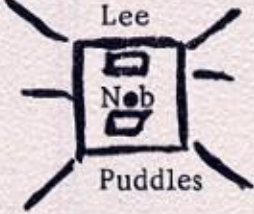

All I have to say about the rest of the class is, "keep scratchin' kids!" and I know you will reach the top.

LAST WILL AND TESTAMENT

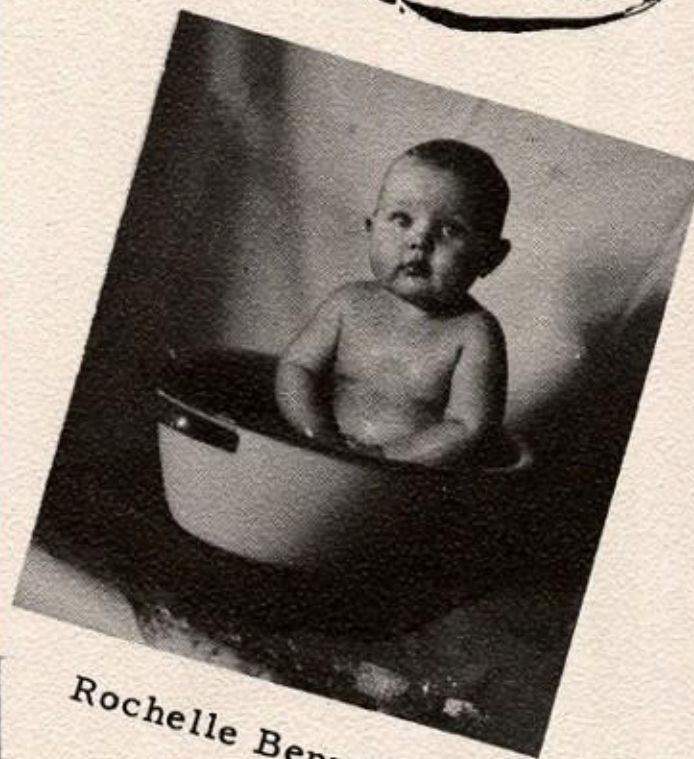

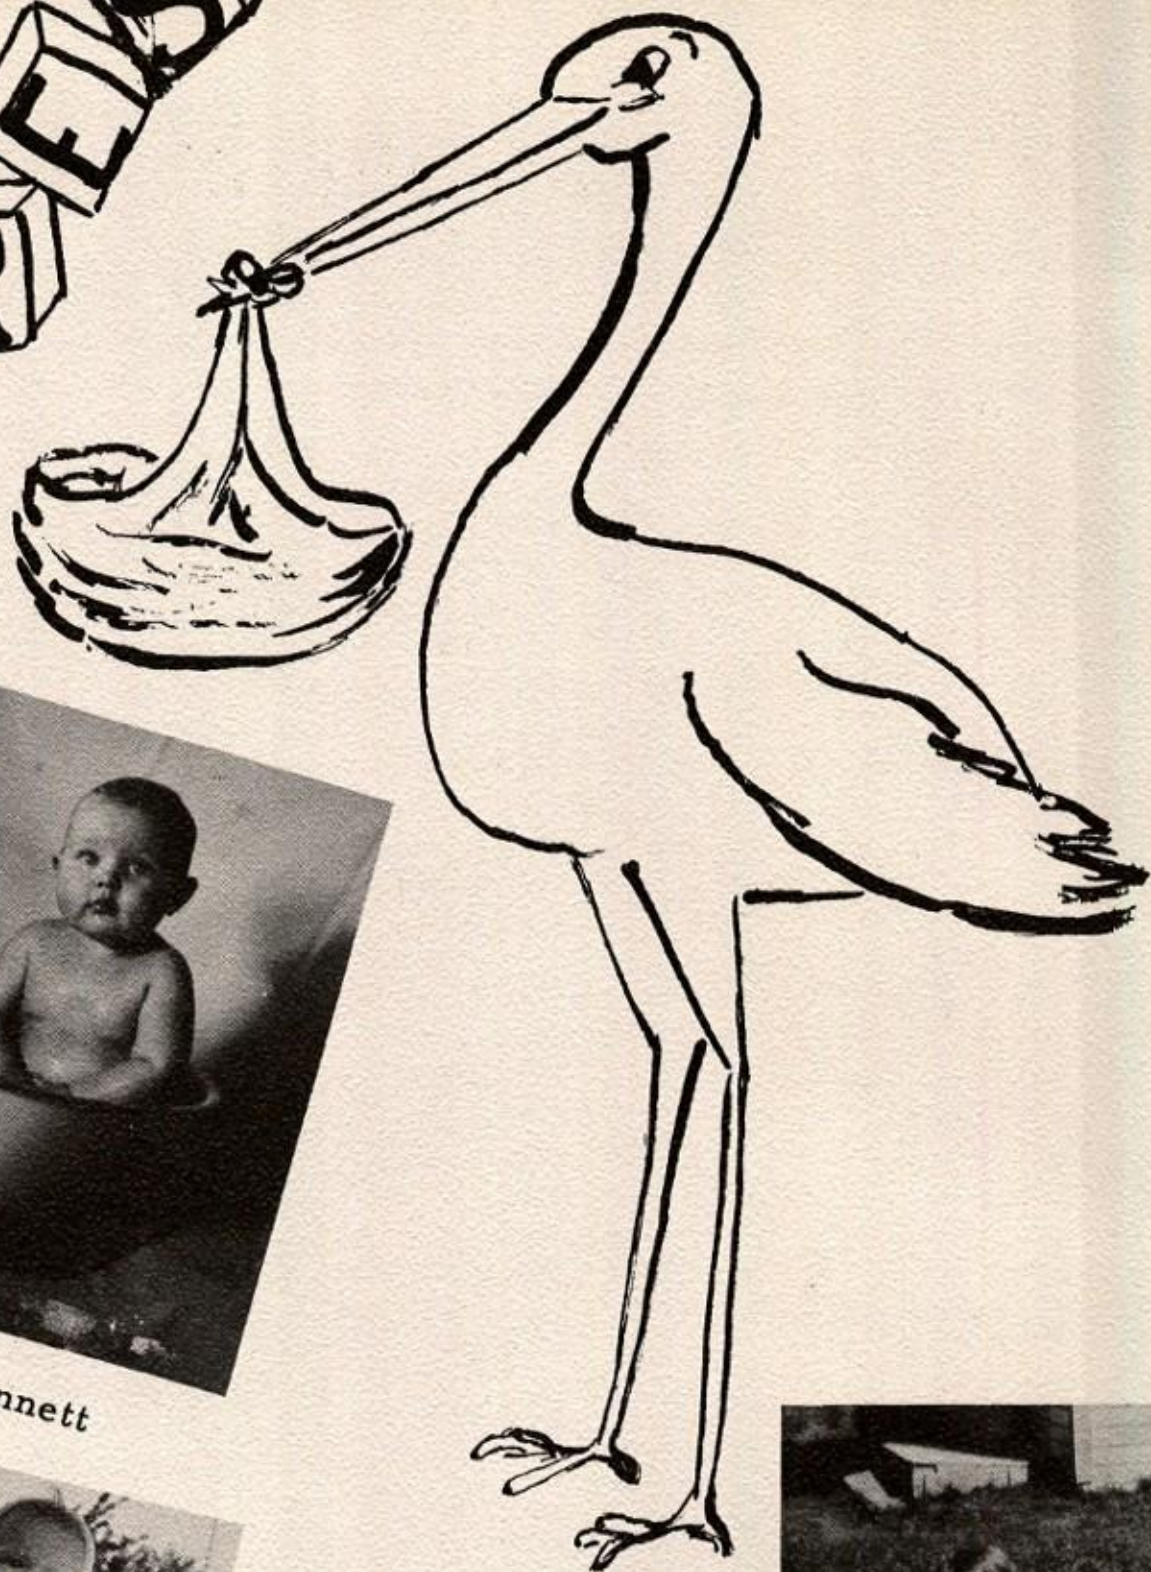

We, the Senior Class of 1955, being in our right mind, do bequeath and bequit, leave, give and get rid of the following members of the Senior Class--to put in their high place these lowly creatures:

- I, Steve Farrell, will my position as Editor of the paper to Meredith Rhodes whether she wants it or not.
- I, Darlene Netz, will my intelligence to anyone who can find a use for it.

- I, Mike Cline, will my position in the Bachelor's Club to anyone who can hold it down.

- I, Dale Brummett, don't will anything to anybody because I'll need everything I have where I'm going.
- I, Gerri-Lou Henderson, will my flirting ability to Terri and Vicki, providing they don't use it on Sandy Winfrey.

- I, Lois Campbell, will my locker, which is among the Freshmen, to anyone who thinks they can get along with them better than I did.
- I, Darreld Rayl, will my ability to flunk English and Soc. Ec. to anyone who can do a better job of it.
- I, Daryl Richardson, will my good looks to anyone that will have them.
- I, Gretchen Davidson, will my blonde hair to Gary Pruett, provided he doesn't dye it.
- I, Jean Deitz, will my determination to graduate to next year's seniors.
- I, Glenn Pruett, will my temper to anyone who will have it, providing he doesn't make Mr. Williams angry.

FOOTBALL SCOREBOARD

The 1954 football season saw the Mapleton Sailors capture the County Championship by overwhelming wins except for a 28-28 tie with the McKenzie Eagles.

The blue and white started the season by rolling over Mohawk 40 to 14. This was our first home game to be played under our new lights.

On October 1st we played our only non-league game during the regular season with Elkton. We sent the red and white back home with a 34 to 18 defeat.

We ended our season by defeating Westfir on their new field 6 to 53. This game gave us the County Championship.

On November 6th we traveled to Glide for the District Playoffs. After a close first half we were defeated by the Wildcats 51 to 20.

Our thanks goes out to "Lefty" Woodruff for coaching such a wonderful team.

ALMA MATER

Oh, forever in our hearts, dear old Mapleton we'll hold,
All your dear traditions as fond memories unfold.

Oh, your praises now we sing as we hold your colors high,
To this our alma mater as the school days pass by.

One day a hush will fall,
The footsteps of us all will echo down the hall and disappear.
But as we sadly start our journeys far apart,
A part of every heart will linger here.
Let us stand and sing together - for we will soon have to part,
It's M. H. S. forever and forever in our hearts.

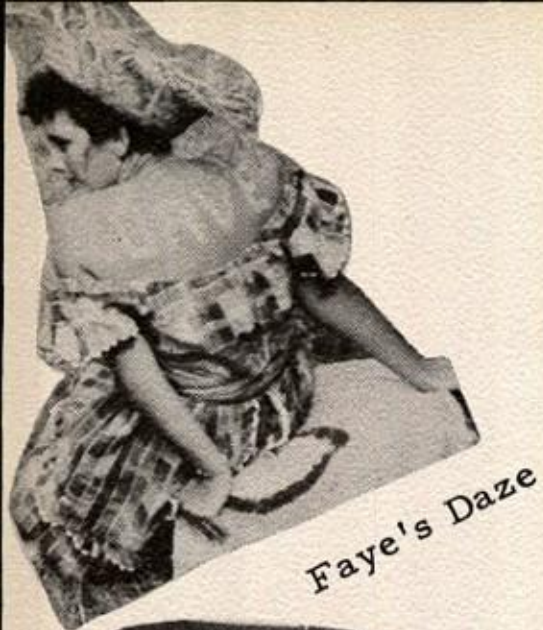

FIGHT SONG

Come on old Mapleton, you are the best.
Fight for those Sailors; and that's spelled:
S-A-I-L-O-R-S!

And when the game is o'er, if lost or won,
We'll still be true, so stand up now,
And fight for dear old Mapleton.

Come on old Mapleton, you'll win tonight.
You've got just what it takes -----
You'll do it if you FIGHT, FIGHT, FIGHT, FIGHT!
So make those baskets count, dear blue and white
Play hard old Mapleton. Come on and fight,
You've got to win tonight. RAH!
